Project Description

The USAID Youth Coordinator and Agency Youth Corps (made up of the points of contact on youth development in all Bureaus) support the integration of promising practices in engaging youth into all our work across sectors.

The Virtual Intern(s) would work with the Youth Coordinator to:

- 1) Advance the compilation of research on an array of youth issues, ranging from positive youth development, to global adolescent health, to preventing violent extremism and package it in a way that can help inform current program work across Bureaus.
- 2) Help develop social media content stories and resources that can be shared broadly with the field.
- 3) Develop research and curate content for Agency documents on youth issues and migrate youth practice documents to www.Youth.gov; and
- 4) help edit Integrating Youth in Democracy Rights and Governance Manual
